

Kia ora, Hello

You are warmly invited to attend the Okains Bay Museum Annual General Meeting and hear from the Trustees about our work over the last year, and plans for the future. The meeting will be held in the Museum's Tearoom.

2023 Annual General Meeting: Sunday 20 August, 10:30 am

If you are unable to attend, we will be sharing the annual report on our website after the meeting, on our [publications page](#).

'Stop the Leaks' has also helped to stop the flooding

The new spouting at the Museum is a few weeks away from installation and we are carefully removing the old rusted spouting in preparation.

As a result of our recent successful fundraising campaign 'Stop the Leaks', combined with Continuous Spouting offering us a generous discount, we have also been able to install a pump to fix the recurring drainage problems in the Museum Courtyard.

You can see the difference the pump has made in the two photos below - on the left without the pump working, and on the right with the pump working. Filling the dips and re-leveling the surface should put an end to long-standing flooding in the Courtyard.

Thank goodness for the generosity of everyone who contributed to 'Stop the Leaks' to make this possible. Here's your donation in action!

Nā tō rourou, nā taku rourou ka ora ai te iwi

With your basket and my basket, the people will live
